**FINDING
NEMO**

A vibrant underwater scene from the movie Finding Nemo. In the center, a large sea turtle, Mr. Ray, is smiling broadly. To his left, a blue tang fish, Dory, is looking towards him. In the middle ground, a clownfish, Nemo, is swimming. Several other sea turtles are visible in the background, swimming in the clear blue water. The overall scene is bright and colorful, capturing the essence of the film's underwater world.
